Friends of the School

The Friends of the School program was created to help offset the cost of tuition and other expenses. We ask that each family donate 50 hours or 25 hours for single family households each year. If you find that you do not have the time to volunteer for these hours you will also have the option to pay the \$500 fee instead. You will also have the ability to do partial hours and pay a reduced amount. Please see the information sheet with more details about FOS hours.

Fieldtrips

Throughout the year there are different fieldtrips that are planned. The prices for these vary. Teachers try to keep the cost at a minimum for these events.
